In February 2007, there were 180 FEMA travel trailers/mobile homes still remaining in Broward County, totaling approximately 450 displaced Hurricane Wilma survivors.

As of May 5th, all Broward County FEMA travel trailer/mobile home residents have a long term self sufficiency plan. Only 50 households remain in travel trailer/mobile homes, of which all have entered into the "Modified Sales Program" (MSP) through Adopt A Hurricane Family, Inc. This program allows the FEMA residents to purchase, through AHF, a FEMA travel trailer or mobile home at a substantially reduced cost. This exciting program offers the resident the opportunity to purchase a refurbished mobile home or travel trailer for \$500. For many, this will be the first home they have ever owned.

In a collaborative community effort with agencies such as... The American Red Cross, Broward County Human Services, Broward Elderly and Veteran Services, FEMA, Florida Dept. of Emergency Management, the Town of Davie, Volunteer Broward and dozens of other agencies, corporations and individuals, we have helped and continue to work with these families to obtain a wide variety of their unmet needs.

These families NEED YOUR HELP to make this long-term effort a success. Whether in the MSP program or not, the needs are great. Rental assistance, personal items, beds and other primary furniture are among their many unmet needs.

Adopt a Hurricane Family is pleased to announce an update regarding our partnering with "[Majic 102.7/The Majic Children's Fund](#)" and "[Neighbors 4 Neighbors/CBS4](#)" for an incredible fund raising event!

On May 23rd , "[Majic 102.7/The Majic Children's Fund](#)" and "[Neighbors 4 Neighbors/CBS4](#)" teamed up to host a full one day Radiothon/Telethon to benefit the hurricane displaced families living in two South Florida FEMA parks. The goal was to raise funding to obtain secure housing for all the CB Smith and Easterlin families living in the FEMA travel trailers... before the next hurricane threatens them.

We wish to thank the many volunteers from Project Hope, HUD, 211 First Call for Help, Volunteer Broward and Adopt a Hurricane Family, who manned the Neighbors 4 Neighbors / CBS 4 phone bank for the event from 6AM to 7PM Tuesday, May 23rd. Volunteers worked 4 hour shifts, enjoying food and having lots of fun!

During the Radiothon, for a \$25 or more donation,
callers requested or dedicated a song by calling
Majic 102.7 at 1-800-924-1027

Our volunteers at Neighbors 4 Neighbors / CBS 4 were seen on television throughout the day, during news breaks.

We thank Volunteer Broward and Neighbors to the Rescue for introducing us to Majic 102.7. Without their help, this would not have happened.

A special thanks to **Mindy Lang** - Assistant Program Director, Music Director & Mid-Mornings Host of Majic 102.7 and **Lynne Cameron** - Executive Director of Neighbors for Neighbors, for all their efforts in putting this event together and for their passion to help these families in need!

If you are interested in helping AHF, please call us at 888-621-7805 or visit our donation page by [clicking here](#). We are looking for more volunteers in Broward County.

"Adopt a Hurricane Family" is designed to help coordinate efforts in finding homes and a loving community for those displaced by hurricanes and other disasters. See our mission statement ([click here](#)). Our current project listed above.
